**MEMORANDUM AND ORDER**

This petition for the writ of habeas corpus was dismissed for failure to exhaust state court remedies; the court next denied petitioner's motion to reconsider, his motion to stay proceedings, and his motion to alter or amend the judgment. Petitioner appealed and the Sixth Circuit denied petitioner a certificate of appealability and dismissed the appeal. *John H. Burrell v. David Mills*, No. 02-5479 (6th Cir. December 2, 2002). Petitioner has now filed a motion for relief from judgment, which is **DENIED**.
